#### Consideration for Industrial Photography:

**Quality First:** While we aim to deliver a specific number of high-quality images within the estimated timeframe, Images quantity & Results may vary depending on factors like complexity of the shoot location & camera and lights setup time. Keep in mind sometimes a full day shoot is required for even 10 good images.

**Focus on Value:** Our priority is capturing the best possible visuals for your project, which may require us to adjust the timeline or image quantity slightly.

**Open Communication:** We'll keep you updated throughout the process and discuss any potential adjustments to ensure we meet your needs.

**Cost Flexibility:** The final cost may vary based on the actual time required to achieve the desired results. We'll provide a transparent logistics before or at time of shooting the project.
