Pankaj Aneja

Senior Photographer & Cameraman

Studied at : Triveni Kala Sangam, Delhi
IMI Film Institute , Mumbai
FTII, Pune

I am an Engineer by education but my Passion led me to the path of Photography. The curiosity of storytelling with visuals is the very reason I love my work and is my way of life since 2003.

To achieve perfection with artistic vision, I had done Diploma in Photography & some short Courses in Film Making, Film Lighting and Editing from the reputed institutes in India, along with innumerable internships under stellar professionals.

My association with Camera has become my identity as I closely associate myself with all the projects I undertake. Taking each assignment with utmost sincerity and delivering the desired result on time is my forte.

Commitment and undying passion for my work makes me a versatile artist to serve you as an emerging Commercial Corporate Photographer & Video Production Services Provider in India. Taking care of each nuance of the work that I undergo is what I strive for, to deliver the desired results.

Looking forward to collaborate with you to showcase your business efficiency through my lenses.

Feel free to contact back for any query and assistance related to pricing and your goals to achieve with our works.
We would be happy to serve your brand to stand out in a crowded marketplace.
